Subject to change | Last update 2021-Oct 1

INSTRUCTURE

How will quizzes be moved

What about other features we need

All milestone commitments:
- Data & Content Migration
- Public API
- Blueprint Syncing

Planned or underway:
1. Integrate the New RCE
2. Text no question capability
3. Fill in the Blank multiple & table support
4. To-do list when teachers need to manually grade/ Speedgrader indication
5. Partial credit (particularly for matching)

Additional features; 2022 priority feedback survey coming soon

Public API

The technology decision

GraphQL

{ REST }

Releases

- Focus on use cases
- Prioritization based on feedback
- Beta program

Documentation

- Documentation oriented approach
- Sample documentation in blog post
- More resources

Public API

Use case prioritization survey
